

**J.C. McLaren Belting Inc. & Nuera Industrial Inc.  
joining forces!**

**LAVAL, QC – July 2011** – Nuera Industrial Inc. ([www.nuera-ind.com](http://www.nuera-ind.com)) has recently joined forces with J.C. McLaren Belting Inc. ([www.jcmclarenbelting.com](http://www.jcmclarenbelting.com)).

Established in 1856, J.C. McLaren is a well-known provider of high quality “lightweight” belting solutions, products and services, in Quebec and Ontario. J.C. McLaren offers a wide range of products at highly competitive prices, and is a preferred Habasit distributor. J.C. McLaren provides belting solutions across many industries including food, pharmaceuticals, printing, material handling, laundry and agriculture. J.C. McLaren can make belting recommendations, custom fabrication, and its highly trained and specialized technicians can install belts on location and resolve conveying equipment problems.

Established in 1986, Nuera Industrial is a reputed provider of high quality belting solutions, products and services, as well as material screening media products, with several locations across Quebec. Nuera Industrial is the exclusive distributor of Fenner Dunlop products, a brand known for its quality, durability and exceptional value in the industrial sector. Nuera Industrial also carries Goodman Jeffrey idlers, ASGCO conveyor accessories as well as Sandvik wear protection and screening media products. More importantly, Nuera Industrial and its technicians offer unparalleled expertise for any conveying and material handling needs, problems and projects.

By joining forces, J.C. McLaren and Nuera Industrial will now be in an even better position to offer their customers the exceptional 24/7 service they have been accustomed to, in both the lightweight and heavyweight sectors. We will strive to keep bringing new products and expertise to our customers’ doorstep, and continue to be a partner of choice for all conveying and material handling challenges.

As part of this transaction, J.C. McLaren is moving to Nuera Industrial’s Montreal area facility, located at 1980 Dagenais Blvd. West, Laval, Quebec. Our locations in Sept-Îles, Saguenay and Rouyn-Noranda, Abitibi also carry the J.C. McLaren products and services. Feel free to contact us at (450) 625-1466 or 1-877-625-0219 for any question or additional information you may require, for quotations or to place your orders for either Nuera Industrial or J.C. McLaren.
